INTO THE MAASAI MARA

June 8, 2027

After a final breakfast with your group, depart on a scenic, three-hour drive to the Maasai Mara, one of Africa’s most iconic wildlife destinations. Along the way, take in expansive views of rolling savannas, acacia-dotted plains, and the dramatic Siria Escarpment rising in the distance.

Arrive at Karen Blixen Camp in time for lunch and a chance to settle into camp life before heading out on your first shared game drive. As the afternoon light stretches across the plains, look for lions resting in the grasses, elephants crossing the savanna, and giraffes browsing among the acacia trees.
